Explore Richmond Valley

Welcome to the Richmond Valley.

Locals love it, visitors love it ... let's face it, everyone loves this place we call home. It's only natural that we invite the world to share the experiences!

Evans Head is a friendly community of 3000 people and a wonderful place to live, work, and visit. It offers an abundant supply of recreational opportunities to residents and visitors alike. Whether your interest is boating, fishing, walking, or enjoying a delicious meal at any one of the fabulous eateries, Evans Head has something for everyone.

If you want to find out about anything in Evans Head then you are reading the right guide. Whether you are an independent traveller, or part of a group, or a backpacker thinking of touring the area, this is your guide.

Visit the Evans Head Business & Community Chamber website experienceevanshead.com and Facebook page @experienceevanshead. These sites will give you an even better chance to learn about Evans Head and the many wonderful things there are to do, and the awesome and breathtaking places there are to visit.

If you can't tell by now, I'm very proud of our Valley.

So again, enjoy your visit.

EVANS HEAD
BUSINESS & COMMUNITY CHAMBER

BUSINESS AWARDS
2018 REGIONAL WINNER

The Evans Head Business and Community Chamber wishes to acknowledge the Custodians of this land, the Bundjalung people of the Bundjalung Nation and their Elders past and present. We acknowledge and respect their continuing culture and the contribution they make to the life of this community and this region.

Thank you to the many local businesses who have contributed to the development and production of this tourist guide. Without your financial support, the success of this guide would not be possible.

To our visitors who are reading, we encourage you to support our local businesses wherever possible. Our beautiful picturesque town offers something for everyone, fall in love with our beaches, enjoy award winning dining experiences, or just sit and watch the world go by. Whether you're a returning guest, or new to the seaside delights that our town has to offer, then our helpful guide will have something for you all.

EHBCC ACHIEVEMENTS & AWARDS

The Evans Head Business & Community Chamber is a not for profit membership based Local Chamber of Commerce operating in the area of Evans Head, Northern NSW and representing the interests of their members and the destination of Evans Head. The Chamber brings business, community and service organisations together through many avenues of support.

The Experience Evans Head Tourist Guide, has been developed over the past three years by the Evans Head Business and Community Chamber. The quality of the guide has now reached an outstanding level and is used throughout businesses in town to provide tourists the ultimate guest experience. Over 60,000 copies of the guide have now been distributed throughout Australia and New Zealand.

The Evans Head Business and Community Chamber has been heavily involved in the Coordination of the Evans Head Drought Relief appeal. We are proud to say our small community has raised over \$100,000 worth of in-kind support for drought affected communities, including over 2000kg of hay bales, grass, grain and food hampers, as well as a \$10,000 cash donation to Coonamble Business Chamber for distribution. The Evans Head Business and Community Chamber has a strong drive to support community, even when it is not our own, if a community needs our support, we will be there.

The Evans Head Business and Community Chamber has a passion for hosting community events. The biggest event, Beef Meets Reef, is run by a team of volunteers who have recently, and successfully hosted the event which saw over 10,000 holidaymakers and guests enter our town to spend their day enjoying our community.

In a small community, there are always many voices needing and wanting to be heard. Over the past 12 months, after reflecting on the many achievements of our chamber, the biggest of all as been seeing our community come together. We listen to the needs of the members and the community. We support and where we can, we promote the local businesses, community groups and schools. We do this as volunteers who want to see our community continue to thrive and for tourism to boom. We celebrate our community by hosting events, acknowledging achievements of community members and businesses and making an impact in every way we can.

Woodburn-Evans Head **GOLF CLUB**

The friendly Golf Club welcomes visitors to enjoy a round of golf amongst the koalas, birds and wallabies.

Take the pleasant walk around the course or use one of the golf buggies to relax between shots.

Join us for competition games each morning of the week or have a social game.

Enjoy a refreshing drink at the licensed club as well

as a snack from the bar.

The course is open seven days a week from 7:30am and is located on Golf Links Road, Woodburn.

Social Groups are most welcome 7 days per week. Call the Club House for more information on (02) 6682 2385.

Enjoy Our Events

Visitors come from near and far to enjoy our beautiful lifestyle and magnificent climate. The list of things to do are many and varied and we welcome all our guests to our friendly village.

The Great Eastern Fly-In

12th & 13th January 2019

The Great Eastern Fly-In is a unique Australian aviation event where pilots, their families and friends fly in from all over Australia to enjoy a great summer holiday with a difference.

Locals of all ages come to marvel at the latest aircraft, air displays, and have the opportunity to have the ride of their lives. Activities for all ages are on offer including drone flying, aviation stalls, model clubs and the Evans Head Heritage Aviation Museum. With food markets, Classic Cars and a movie night, this event is not to be missed.

For more information visit
www.greateasternflyin.com

The Great Eastern Fly-In is a community event for all aviators and the general public, with plenty of opportunities to view aircraft and talk to pilots.

Crankfest

Crankfest in Evans Head has something for everyone, including delicious food and craft markets, live music, surf and skate competitions as well as a number of activities for all ages. Crankfest is hosted each year by the Mid Richmond Neighbourhood Centre, who have run this event for over 10 years. This event strongly celebrates the Youth Culture in our town, and offers our young people the opportunity to showcase their talents in Music, Sport, Dance and other Arts. Come on down to Main Beach near the skate park on 27th April 2019 to celebrate these achievements with us. For more information, visit www.crankfest.com.au.

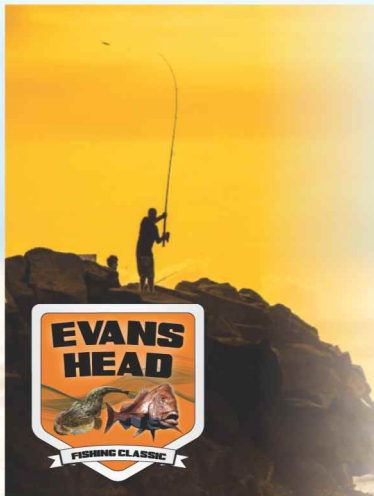

Beef Meets Reef

Join us on Saturday 19th May 2019 and help us kick off Casino Beef Week in Oak Street, Evans Head. It's a huge celebration of seafood, salt air and beef for all the family. Come and enjoy the market stalls, be entertained by dancers, live music, farm animals, camel rides, and much more but best of all the parade, moving through the main street in an extravaganza of colour and fun. Take your time to wander around as you learn about the beef and seafood industry on the Far North Coast of NSW. The 2019 event program will be available online in March 2018. For more information please contact beefmeetsreefeh@gmail.com, and search for Beef Meets Reef Evans Head on Facebook.

The Evans Head Fishing Classic

This popular week-long fishing event is held in 2019 between the 13th and 19th of July 2019. A catch and photograph event with a large list of species and loads of random draws. The Evans Head Fishing Classic offers a fun filled event from beginner to expert, with opportunities for the whole family to get involved with adult and children competitions. Join in the daily prize draws for your opportunity to win over \$100,000 in prizes throughout the week. Located behind Club Evans RSL on the river, the event site features a food alley, displays from sponsors and a live fish tank to show off the catches through the week. All the event information and entry forms can be found on www.fishingcomps.com.au and live updates on the face book page @EvansFishingClassic

Sand, Swim & Surf

Photographer Hail Wilson

Evans Head features a patrolled surfing beach, many surfing spots, a long beach with 4WD access, a river beach and many opportunities for surfing, fishing or relaxing.

Take time to find your own favourite spot along our scenic coast.

Main Beach

This popular beach is easily accessible from the village centre, Holiday Park and Riverfront Kiosk.

Main Beach offers the safest surfing beach next to the mouth of the Evans River.

It is patrolled by the Evans Head-Casino Surf Life Saving Club during school holiday and weekend periods between September and April. It provides a convenient and enjoyable place for all ages to swim and surf.

Airforce Beach

North of Main Beach is Airforce Beach, stretching 25 kilometres north to Broadwater Beach and onto South Ballina. This is a 4WD favourite for families, birdwatchers and enthusiasts of beach fishing.

Picnic by Salty Lakes where a natural tea tree stained lagoon spills out into the ocean, or explore the seashells scattered along the beach.

No driving permits are required and most of the beach is pet friendly for responsible owners. Do look at the tide times before you go choose to drive.

Chinamans Beach

This beach is accessible via the Dirawong Reserve, 3 minutes drive south from the village centre.

This secluded beach has a carpark with an adjacent picnic area and toilets and leads to a gentle walk down the beach via a boardwalk through a paperbark forest.

This is a great ocean beach to take a short stroll, collect shells, explore rock pools at low tide, head north to track back over Razorback Lookout or head south and visit Snapper Rock.

Shark Bay (Sharkies)

The small and protected beach of Shark Bay is on the south side of the river mouth and below Razorback Lookout. There is a great stretch of sand here when the tide is out, with the benefit of natural protection from a rocky cove.

Cooking facilities are free and the area is wheelchair friendly with a ramp onto the beach and up to the picnic shelters and BBQs.

Surfing & Swimming in Safety

The New South Wales Government in recent years have introduced a wide range of procedures up and down the coastline. Evans Head has experienced aerial surveillance using drones, smart drumlines for tagging, tracking & relocation and a shark net placed off shore. In 2018 Evans Head will again experience these initiatives.

Since 1922 Evans Head – Casino Surf Life Saving Club have been keeping a watch over surfers to keep them safe and aware of the dangers along the beach. Main beach is patrolled during school holidays and remember always swim between the flags.

Play your part by not swimming or surfing too early or late in the day and don't venture to far from shore. Swim & surf with a mate.

Most of all enjoy our beautiful beaches all year round.

Fishing: The Best Spots

An experience you will never forget. Evans Head has some of the best fishing locations on the coast.

The Evans River is ideal for the family with sand spits at low tide and the boat pontoons on the south side. Excellent facilities are available to launch the tinny & park the car for some serious estuary fishing. North & South wall at the mouth of the river day & night is a great place to wet a line. Bait, tackle and fishing licences are readily available from Evans Head Sports & Marine. www.evansheadsportsmarine.com.au

Beach fishing with 4WD access is located at Airforce beach. No permit required, however please abide by the NSW road rules & the displayed signage at entry. South a few kilometres you will find Chinaman's beach & Snapper headland.

If you're a rock fisherman the coast south from Razorback lookout via Joggly headland to Chinaman's offers great fishing & a beautiful walk around the headland. Please keep to the marked tracks and always fish with safety.

Off-shore fishing - We have listed a few popular GPS marks within fifteen minutes from the

mouth of the Evans River. Snapper, Jewfish, Teraglin, Tailor, Pearl Perch & Mackerel are some of the species awaiting the pan.

Always check your vessel to ensure it is sea worthy. Marine Rescue operate out of Evans Head – please refer to Marine Rescue brief on page 31 before heading off to sea.

Experience a week of competition fishing in July – The Evans Head Fishing Classic is held in the school holidays. Adults, Cadets & Juniors compete for over \$140,000 in prizes.

Check out last year results and images www.evansheadfishingclassic.com.au

If you are keen to join the fun, we suggest you book accommodation well in advance.

SMART drumlines are a key feature of the NSW Government's shark bite mitigation measures. When a shark is hooked, the pressure on the line triggers the communications unit which alerts contractors via phone call, email and text message to the presence of an animal on the line. The team then responds immediately to the SMART drumline alert to manage the animal. Sharks caught on SMART drumlines are tagged and released. DPI can then provide alerts to the community via our network of 21 VR4G listening stations when they are close to shore and it is broadcast automatically via the DPI SharkSmart Twitter account @NSWSharkSmart and also on the SharkSmart app (itunes.apple.com). Bike, Walk & Skate

Experience Evans Head on our shared walk / ride / skate and scooter footpaths.

Join the morning and afternoon walks with the locals from the Surf Club to Razorback lookout.

Take in the ocean air with high odds of spotting bird life, turtles, dolphins or whales.

Stop off on the way at many of the exercise stations or sit and admire the view. Drop in for a coffee or refreshment at many of our cafés along the way.

A popular walk is along the beach, north to salty lake and return.

Discover the beauty of Bundjalung National Park and Dirawong reserve which are close to town and offer a variety of walking trails through these unspoilt places and discover the ocean views.

Don't forget to take the camera.

If it's cycling you prefer, then this activity can be a real family affair. The longest bike trail is from Airforce beach to the north wall, along the Evans river foreshore, over the bridge continuing to Shark Bay. Take the challenge and ride to the top of Razorback Lookout.

The Skatepark is popular with all ages and is located at the southern end of main beach car park. Bring the BMX bikes, skateboards and scooters.

If you're walking the pooch, there are designated off-leash dog areas on Airforce Beach and on the south side of the river near the fisherman's Co-op. Keep your eye out for convenient poo points for a supply of bags and help keep our playground clean. In all other areas, dogs must be on a leash.

Whatever way you get around town, please obey our speed zones and take care when sharing footpaths; there's room for everyone in Evans Head.

Dirawong Reserve Coastal Walks

Within the Bundjalung Nation, Dirawong Reserve holds great spiritual significance for the Traditional Custodians. The Dirawong, also known as the Goanna Spirit, is home to many sacred and native plants and animals. We ask that all who walk on this reserve treat it with respect, by remaining on the walking tracks always and appreciating the beauty of the spectacular scenery around you. There are six walking tracks to discover throughout Dirawong reserve, please be mindful that some may have steep climbs or rocky, high points. Please see map for more information.

The Evans Head Heritage Aviation Museum offers visitors numerous heritage displays and hands-on experiences of our local military and general aviation history. Come and sit in the cockpit of the mighty F-111 and learn the amazing history of this magnificent aircraft.

Sit in the Kiowa Chopper or the interactive display booths to get a real feel for the aircraft on display.

Walk up into the Caribou cargo hold and through to the cockpit and experience the emotions of soldiers as they were preparing for parachute drops into combat during the Vietnam War.

Explore our military history through the Canberra Bomber, the Russian Mig15 fighter and many other exhibits including the WWII Link Trainer and the fully instrumented cockpit of the original B2 Canberra bomber. Our Avro Anson MG422, is the most complete example of this type of aircraft in Australia. The Anson was used extensively by the RAAF in WWII and the type was based here at Evans Head Aerodrome.

Located at the Evans Head Memorial Aerodrome, the Museum is open weekends from 10am to 4pm.

Play a few holes with our
friendly locals at
Woodburn-Evans Head Golf Club

If you like a golfing challenge and meeting new friends the Woodburn Evans Head Golf Course is the place to be. The Golf Club has a friendly environment that welcomes visitors to use the course and club facilities.

Our country course offers it's share of challenges, the tree lined fairways require good club selection from the tees to the greens and some interesting contours and roll off areas will test your approach play and putting shots.

The wildlife provides another attraction, especially, but not only, our wonderful koala colony. You will almost always be able to spot some koalas lazing away in the trees gazing down on your game. There are also the resident wallabies and an abundance of bird life to see as you move around the course.

After a pleasant round you can relax in the air conditioned club house, the undercover outdoor area or on the deck overlooking the first fairway and enjoy icy cold refreshing drinks and food from the licensed bar.

Whether you're looking for a social round or competition round, you will find it every day of the week at our country golf course. Equipment, such as shirts, gloves, souvenir ball markers, balls and accessories are also available in the clubhouse, as are electric carts, pull buggies and clubs.

So come and enjoy a round with the wildlife and the friendly people of the Woodburn-Evans Head Golf Club.

A Sustainable Town for a Sustainable Future

Sustainability is a process of continuous improvement. The Community of Evans Head is constantly evolving and making changes within our town to accomplish goals, to ensure our community and the people who live here remain safe, green and healthy.

The Mid Richmond Neighbourhood Centre, based in Evans Head, has several incredible sustainability initiatives throughout town:

The Hive Community Garden

Located next to the Scout Hall in Mangrove Street, the Hive Community Garden offers members of the community the opportunity to volunteer their time, skills and knowledge to come together and contribute to the upkeep and development of this wonderful garden. The volunteers who upkeep the garden, have the opportunity to take home an abundance of produce year round. These volunteers who work together in maintaining the Hive Community Garden meet each Monday and Friday at 9am. If you are interested in volunteering, please visit the Mid Richmond Neighbourhood Centre in person, or their website to register yourself as a volunteer. Donations for The Hive Community Garden are always welcome and accepted with thanks.

Johnnys Restaurant and Café

If supporting the community is what you're all about, then Johnnys Restaurant and Café is the place to be. This social enterprise run by the Mid Richmond Neighbourhood Centre gives 100% of its profits back to the community, providing funding for support services, programs and the continuity and development of initiatives throughout town. Majority of the produce used to create the delicious menu at Johnnys is provided by The Hive Community Garden or sourced from local businesses, amazing! But that's not all; Johnnys also have some incredible sustainability initiatives within the Café and restaurant. The 'Humble Mug Library' encourages community members to donate their unwanted mugs and use a borrowing system to reduce the use of takeaway cups.

Johnnys

EVANS HEAD

An initiative of the Mid Richmond Neighbourhood Centre, Johnny's Cafe operates as your local Social Enterprise, where 100% of profits go back into community programs and services.

A Fork Full of Goodness

Through the use of their keep cup discount of 50c, Johnnys has saved over 3030 takeaway cups going into landfill in 2018, over half of the population of Evans Head.

Enviro Bags Evans Head

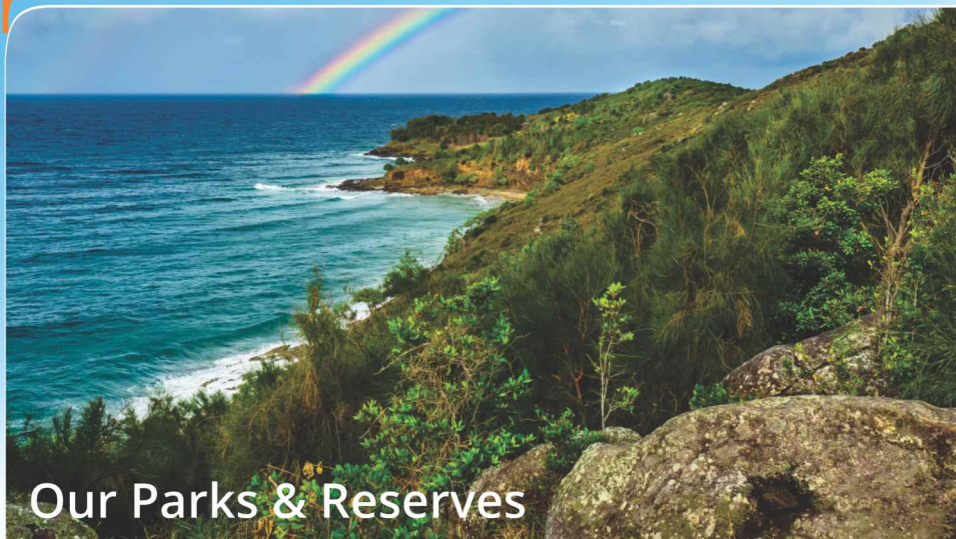

With the introduction of Enviro Bags in 2018, this initiative by the Mid Richmond Neighbourhood Centre has produced over 6,000 bags hand sewn by volunteers and are now giving them to our Local SPAR supermarket for distribution. This is an excellent opportunity for members and guests in our community to reduce, and eventually eliminate the use of plastic bags in our town. If you are interested in becoming part of the enviro bag volunteer sewing team, they meet each Thursday at 10am at the Scout Hall, 22 Mangrove Street, Evans Head.

It takes a whole community to work together for a sustainable future. Many businesses in town are working towards implementing their own fantastic initiatives, and we would love to have the opportunity to promote these initiatives in future editions of this guide, as well as through our social media pages.

The Eco-Warriors of our local K-12 School take pride in their initiatives throughout town. A recent major project for the group has been the installation of several T'Angler Bins for fishing waste, located in popular fishing locations throughout town.

The Evans Head Business and Community Chamber aims to support our community to grow and develop in consideration to the social, economic and environmental impacts. We are dedicated to supporting sustainable initiatives throughout town. It's the small things, the removal of plastic straws and bags in businesses, beach clean-up days with community members of all ages participating, information and drawings in business windows written by our children and educating the importance of a litter and plastic free community.

What an incredible town to live in, what a fantastic village to visit!

Our Parks & Reserves

If you're looking for some spectacular views and scenery, you've come to the right place. We've got you covered with each location offering free BBQ facilities, amenities, shade and grassy picnic areas to suit your family and every occasion.

Kalimna Park

Located on the south side of Evans Head, Kalimna Park marks the original river crossing and beginning of the track to the goldfields from 1880. Kalimna has remarkable river views and is just a quick walk from the Fisherman's Co-op if you're in the mood for some fresh seafood and chips.

Clarrie Kirkland Reserve

Located in the centre of town along the foreshore of the Evans River, the reserve stretches along the entire riverfront and is an ideal location for a swim, kayak, or a spot of fishing. The Riverfront Kiosk is central to Clarrie Kirkland Reserve and is open 7 days a week.

Razorback Lookout

Razorback Lookout boasts stunning 180 degree views of the ocean, coast, and hinterland. The Lookout is wheel chair accessible and offers fantastic eating facilities. Razorback Lookout is located off Ocean Drive, South Evans Head.

Goanna Headland

This coastal area of Evans Head is of great significance to the Aboriginal people in the mythology of Bundjalung Nation. The Dirawong (goanna) is the Creator Being, which taught the people various aspects of Aboriginal culture and customs. Within its landscape are many sacred and secret ceremonial sites. Enjoy this peaceful environment and stunning views by venturing along the walking track following the coastline.

Broadwater National Park

Situated between the villages of Broadwater and Evans Head, the Broadwater National Park is a great place for bushwalking, birdwatching, picnicking and whale watching. Great picnic facilities are located at the entrance of Broadwater Beach and a short walking track will lead you through the marshland and onto Broadwater Beach.

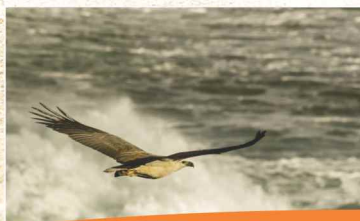

A 4WD access point is located north of Broadwater National Park on Boundary Creek Road, off the Pacific Highway.

Bundjalung National Park

Stretching from Iluka in the south, to Evans Head in the north, Bundjalung National Park is loaded with natural experiences.

Considered a must-do when visiting the Richmond Valley, Bundjalung has multiple entry points. To access the park from Evans Head, drive over the bridge and turn right onto Bundjalung Street and follow the road until you see the entrance to the park.

Experience Bundjalung by camping at Black Rocks camping ground located in the heart of the National Park on the beach. Directions: The Gap Road south of Woodburn off the Pacific Highway. Camping permits must be obtained online before entering Black Rocks.

Choosing Early Education

Your child's early education is an important choice to give them the very best start to life.

Find out why the NSW Department of Education has rated our two preschools as the only local early education which exceeds the National Quality Standards.

University qualified teachers design play-based learning experiences to cater for every child's development and unique learning style.

Educators work in partnership with families and the local community ensuring every child's identity and culture are fostered and that we nurture the Bandjalang Country we sit proudly upon.

Don't settle! You may be surprised how our extended hours can work for your family.

Evans Head Living Museum is re-locating

The Evans Head Living Museum & Community Technology Centre was established by local people. It is managed by local volunteers and has a wide range of exhibit material from Evans Head's past.

It is currently in the process of re-locating, which is a mammoth task given the amount of exhibits and data the museum has.

Please go to ehlmuseum.ctc@westnet.com.au to see where they are.

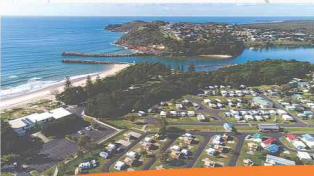

Exciting improvements at one of the North Coast's best holiday parks

Reflections Holiday Parks Evans Head is a large, perfectly positioned holiday park in the stunning Northern Rivers' town of Evans Head. Boasting accommodation and camping sites with incredible riverfront views, all just a short walk to the main town and beach, you'd be hard-pressed to find a more perfect getaway location.

After receiving the NSW Caravan & Camping Industry Association Award of Excellence (Best North Coast park, with more than 100 sites) in both 2017 and 2018, Reflections Holiday Parks Evans Head is set to further exceed guest expectations with a series of redevelopments. Most excitingly, the park will have 13 new architecturally designed riverfront villas allowing guests to enjoy a high-end holiday in Evans Head. This premium accommodation offering will raise the bar for what's on offer in Evans Head. These innovative villas follow Environmentally Sustainable Design principles and make the most of the surrounding natural environment. In addition, the park will see upgrades to its caravan and camping sites and internal roads. With exciting improvements, a range of accommodation on offer to suit all budgets, and even dog-friendly sites, there's never been a more perfect place to book your next holiday!

Reflections Holiday Parks Evans Head is one of 37 parks across NSW in the Reflections Holiday Parks group. All located on amazing Crown Land properties, at Reflections Holiday Parks you're guaranteed an incredible, back-to-nature getaway in one of NSW's most iconic locations. With a new Rewards Club launching in 2019, offering fantastic member benefits and discounts across the group of parks, there will be yet another reason to book your next trip away at a Reflections Holiday Park. To find out more about Reflections Holiday Parks, or to make a booking, head to www.reflectionsholidayparks.com.au.

Cellarbrations

EVANS HEAD

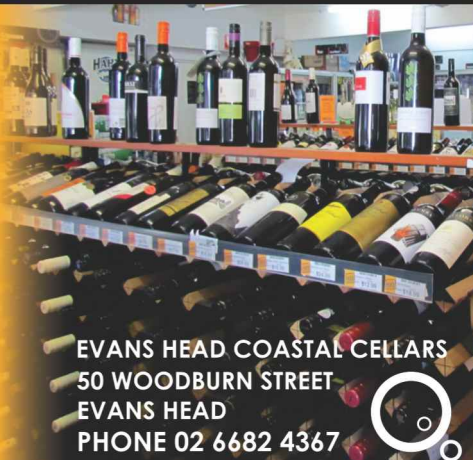

We love wine

At Cellarbrations Evans Head we strive to meet the needs of casual and serious wine drinkers alike.

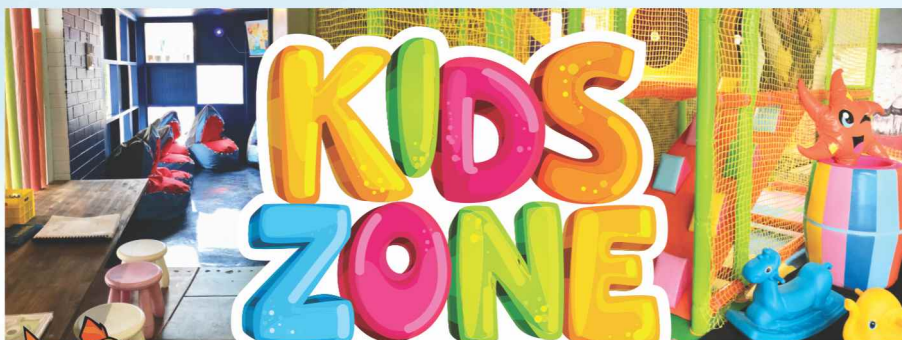

We are passionate about bringing Australian wines as well as a selection of imported wines to meet every need and taste, at an affordable price.

We also offer a range of exclusive wines, unavailable in the major chains, which are very competitively priced and are of excellent quality; not your every day private label.

So call in at Woodburn Street, browse our wine and talk to Darren or our friendly staff about your preferred choice or for that special occasion.

5 Star Exercising!

The Northern NSW Local Health District in partnership with Richmond Valley Council, have installed new outdoor gym equipment at Evans Head in 2 locations on the Evans River foreshore. This one is located along the foreshore on the northside of the river just down from the Skate Park. The other is located just to the left on the southern side of the bridge over the Evans River. Take in the view, whilst getting healthy.
